Summer 2024

Dear Parents/Guardians,

The Cape May Point Beach Patrol is proud to continue to offer The Junior Lifeguard Program for the 2024 season. Much appreciation is extended for your continued support. Funding for the program is provided primarily through fees and private donations.

The program will run **July 2nd to July 25th**. During these four-weeks, the program meets three days a week, with the exception of July 4th, (Tuesday, Wednesday, Thursday) for two hours each day (10am-12pm). In addition to the daily educational aspect of the program, we intend to hold a car wash, an end of the year pizza party, beach tag design contest, competitions, and Mascot Races. Rain date make-ups will be determined as the situation arises and at the discretion of the Chief.

In order to accommodate the needs of each child, we separate The Juniors into three main age groups; which include ages: (A) 13-15, (B) 10-12 and (C) 7-9. The registration fee provides each participant with a uniform, which consists of an official CMPBP Jr. Lifeguard rash guard. Additional uniforms may be purchased for **\$30** while supplies last.

You may pay all fees upfront in one payment/check for any optional add-ons (Jr. sweatshirt, extra uniform). Our registration fees are as follows:

- **\$130** per child for the full four weeks. If you have more than one child participating in the full program, the first child is **\$130** and each additional child is **\$100**.
- **\$90** per child for those who will only be in the program for two weeks or less. (*If your children plan to remain in the program for longer than two weeks, this option does not apply.*)
 - o This fee covers the uniforms for each child, instruction from trained lifeguards plus necessary safety equipment and materials needed throughout the program.

Please make checks payable to: *The Borough of Cape May Point*. Additionally, our beach patrol offices are not open until June; please send registration and payment after May 1, 2023.

If you have any questions, comments, or concerns regarding this program please do not hesitate to contact me at the beach patrol (609) 884-8468 extension 15. We will not be able to retrieve messages until May 1, 2024.

Thank you,
Captain Ben Swan
