Dear Friend,

On Wednesday, July 22nd, 2026, at 6:30PM, we will celebrate the 18th Annual Cape May Point Women's Lifeguard Challenge. Please come and support female lifeguards, including our local teams, in this grueling endurance triathlon (soft sand run, ocean paddleboard, ocean swim) on St. Pete's beach in Cape May Point.

The CMP Women's Challenge is the only race of its kind in the South Jersey region and truly showcases the strength, commitment and endurance of the women who represent their respective beach patrols. It is a tribute to the day in and day out training and knowledge of the various lifesaving skills that the job requires. These women are some of the best lifeguards on the east coast.

Please help us celebrate the accomplishments of women in the lifeguarding profession by completing and returning the form below by Wednesday, July 8, 2026. We look forward to seeing you at the race and appreciate your generous financial support.

Thank you,
 Kristen Moorby, Race Director
