COUNTY OF CAPE MAY  
STATE OF NEW JERSEY**

**RESOLUTION NO. 43-26**

**RESOLUTION ADOPTING AN “AFFIRMATIVE MARKETING PLAN”**

**WHEREAS**, in accordance with P.L. 2024, Chapter 2 and the New Jersey Uniform Housing Affordability Controls (“UHAC”)(N.J.A.C. 5:80-26.1 et seq.), the Borough of Cape May Point is required to adopt an Affirmative Marketing Plan to ensure that all affordable housing units created are affirmatively marketed to very low-, low- and moderate-income households, particularly those living and/or working within Housing Region 6, the Housing Region encompassing the Borough of Cape May Point.

**NOW, THEREFORE, BE IT RESOLVED**, that the Board of Commissioners of the Borough of Cape May Point, County of Cape May, State of New Jersey, does hereby adopt the following Affirmative Marketing Plan:

**Affirmative Marketing Plan**

- A. The Affirmative Marketing Plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, English-speaking ability, marital or familial status, gender, affectional or sexual orientation, disability, age or number of children, source of lawful income, or any other characteristic described in the New Jersey Law Against Discrimination, to housing units which are being marketed by a developer or sponsor of affordable housing. The Affirmative Marketing Plan is also intended to target those potentially eligible persons who are least likely to apply for affordable units in that region. It is a continuing program that directs all marketing activities toward the Housing Region in which the Borough is located and covers the entire period of the deed restriction for each restricted housing unit. The Borough is located in Housing Region 6, consisting of Atlantic, Cape May, Cumberland, and Salem Counties.
- B. The Borough has a plan to address both its Prior Round Obligation (1987-2025) and its Fourth Round Obligation (2025-2035). This Affirmative Marketing Plan shall apply to all developments that contain or will contain very low-, low- and moderate-income units, including those that are part of the Borough’s Housing Element and Fair Share Plan, and those that may be constructed in future developments not yet anticipated by the Housing Element and Fair Share Plan.

- C. The Affirmative Marketing Plan shall be implemented by the Administrative Agent under contract to the Borough, or the Administrative Agent of any specific developer approved by the Borough.
- D. All of the costs of advertising and affirmatively marketing affordable housing units shall be borne by the developers/sellers/owners of affordable unit(s), and all such advertising and affirmative marketing shall be subject to approval and oversight by the designated Administrative Agent.
- E. The implementation of the Affirmative Marketing Plan for a development that includes affordable housing shall commence at least 120 days prior to expected occupancy. The implementation of the Affirmative Marketing Plan shall continue until all very low-, low- and moderate-income housing units are initially occupied and for as long as the affordable units remain deed restricted such that qualifying new tenants and/or purchasers continues to be necessary.
- F. The Affirmative Marketing Plan is a continuing program that shall be followed throughout the entire period of affordability restrictions. In implementing the Affirmative Marketing Plan, the Administrative Agent, whether acting on behalf of the Borough or on behalf of a specific developer, shall meet the following requirements at a minimum:
  - 1. The primary marketing and advertising must be employed at the start of the marketing program and continue until all units are leased or sold or until the number of applications received is at least three times the number of units. Additional advertising and publicity shall be on an "as needed" basis. The developer/owner shall disseminate all public service announcements and pay for display advertisements. The developer/owner shall provide proof of all publications to the Administrative Agent. All press releases and advertisements shall be approved in advance by the Administrative Agent.
  - 2. The advertisements shall, at a minimum, include:
    - a. The name and location of the housing project;
    - b. An address sufficient to find directions to the housing units;
    - c. A range of prices or rents for the affordable housing units;
    - d. The sizes, as measured in number of bedrooms of the affordable housing units;
    - e. The types (that is, family, age-restricted, or supportive) and number of affordable units available;
    - f. The number of units available to very low-, low-, and moderate-income households;
    - g. The accessibility features, if any, of the affordable housing units;
    - h. The maximum income permitted to qualify for the affordable housing units;

- i. The population(s), if any, given preference in the selection process pursuant to N.J.A.C. 5:80-26.17(k)2;
  - j. Where applications (paper and online) for the affordable housing units may be found;
  - k. The expected lease-up/closing date(s) for the affordable housing units;
  - l. The expected date of the random selection;
  - m. The business hours when interested households may obtain paper applications for the affordable housing units;
  - n. Contact information, including an email address and phone number that are regularly monitored by the administrative agent;
  - o. The name of the sales agent and/or rental manager; and
  - p. Application fees, if any.
3. Affirmative fair marketing of affordable units must be completed in accordance with the requirements set forth in UHAC at N.J.A.C. 5:80-26.16 in all media and outlets required by the rules.
  4. Each affordable housing development must complete worksheet substantially in the form of the model affirmative marketing worksheet published by the state.
  5. Affordable units must be listed on the New Jersey Housing Resource Center's website ([www.njhrc.gov](http://www.njhrc.gov)) in accordance with N.J.A.C. 5:80-26.16(f)1 at least 60 days before the random selection.
  6. Applications, or notices thereof, used as part of the affirmative marketing program must be available in the following locations:
    - a. List all county administration buildings in the Region
    - b. List all county libraries in the Region
  7. The affirmative marketing plan shall include the following community and regional organizations: Fair Share Housing Center (FSHC), the New Jersey State Conference of the NAACP, the Latino Action Network, and the Atlantic County NAACP.
  8. The Borough's Administrative Agent, or the Administrative Agent of a specific developer, shall comply with all requirements set forth in N.J.S.A. 52:27D-321.3 et seq. with regard to the affirmative marketing of affordable housing units.
- G. The Borough's Administrative Agent shall develop, maintain and update a list of community contact person(s) and/or organizations(s) in Atlantic, Cape May, Cumberland, and Salem Counties that will aid in the affirmative marketing program with particular emphasis on contacts that will reach out to groups that are least likely to apply for housing within the region, including major regional employers.

- H. The Borough’s Administrative Agent shall develop, maintain and update a list of major employers in Atlantic, Cape May, Cumberland, and Salem Counties that will aid in the affirmative marketing program.
- I. A random selection method to select occupants of very low-, low- and moderate-income housing will be used by the Borough’s Administrative Agent, or the Administrative Agent of any specific developer, in conformance with N.J.A.C. 5:80-26.16(d). This Affirmative Marketing Plan provides a state-wide and regional preference for very low-, low- and moderate-income households that live and/or work in Housing Region 6, which is comprised of Atlantic, Cape May, Cumberland, and Salem Counties. Pursuant to the New Jersey Fair Housing Act (C.52:27D-311), a preference for very low-, low- and moderate-income veterans duly qualified under N.J.A.C. 54:4-8.10 may also be exercised, provided an agreement to this effect has been executed between the developer or landlord and the Borough prior to the affirmative marketing of the units.
- J. All developers/owners of very low-, low- and moderate-income housing units shall be required to undertake and pay the costs of the marketing of the affordable units in their respective developments, subject to the direction and supervision of the Borough’s Administrative Agent.

**BE IT FURTHER RESOLVED** that the appropriate municipal officials and professionals are authorized to take all actions required to implement the terms of this Resolution.

A. Introduction & Applicability

1. This section of the Code sets forth regulations regarding the very low-, low- and moderate-income housing units in the Borough of Cape May Point consistent with the provisions outlined in P.L. 2024, Chapter 2, including the amended Fair Housing Act ("FHA") at N.J.S.A. 52:27D-301 et seq., as well as the Department of Community Affairs, Division of Local Planning Services ("LPS") at N.J.A.C. 5:99 et seq., statutorily upheld existing regulations of the now-defunct Council on Affordable Housing ("COAH") at N.J.A.C. 5:93 and 5:97, the Uniform Housing Affordability Controls ("UHAC")

at N.J.A.C. 5:80-26.1 et seq., and as reflected in the adopted municipal Fourth Round Housing Element and Fair Share Plan (“HEFSP”).

4. This Chapter implements and incorporates the relevant provisions of the HEFSP and addresses the requirements of P.L 2024, Chapter 2, the FHA, N.J.A.C. 5:99, NJ Supreme Court upheld COAH regulations at N.J.A.C. 5:93 and 5:97, and UHAC at N.J.A.C. 5:80-26.1, as may be amended and supplemented.
5. Applicability

  - b. This Chapter shall apply to all developments that contain very low-, low- and moderate-income housing units included in the Municipal HEFSP, including any unanticipated future developments that will provide very low-, low- and moderate-income housing units.
  - c. Projects receiving federal Low Income Housing Tax Credit financing and are proposed for credit shall comply with the low/moderate split and bedroom distribution requirements, maximum initial rents and sales prices requirements, affirmative fair marketing requirements of UHAC at N.J.A.C. 5:80-26.16 and the length of the affordability controls applicable to such projects shall be not less than a 30-year compliance period plus a 15-year extended-use period, for a total of not less than 45 years.

For example, if seven total units are developed at an inclusionary site, a 20% set-aside would require 1.4 affordable units. Per the requirements above:

The developer shall round up the 0.4 unit to one whole affordable unit so as to construct a total of two (2) affordable housing units; or The developer shall round the set-aside downward so as to construct only one affordable unit AND shall pay into the municipal affordable housing trust fund a fractional subsidy payment equal to the dollar amount established by the municipality multiplied by 0.4.

- E. New Construction (per N.J.A.C. 5:93 as may be updated per various sections in N.J.A.C. 5:97 and N.J.S.A. 52:27D-301 et seq.) Per the definition of "New Construction," this section governs the creation of new affordable housing units regardless of the means by which the units are created. Newly constructed units may include new residences constructed or created through other means.

1. The following requirements shall apply to all new or planned developments that contain very low-, low- and moderate-income housing units. To the extent possible, details related to the adherence to the requirements below shall be outlined in the resolution granting municipal subdivision or site plan approval of the project to assist municipal representatives, developers and Administrative Agents.
2. Completion Schedule (previously known as phasing). Final site plan or subdivision approval shall be contingent upon the affordable housing development meeting the following completion schedule for very low-, low- and moderate-income units whether developed in a single-phase development, or in a multi-phase development:

Maximum Percentage of Market-Rate Units Issued a Temporary or Final Certificate of Occupancy	Minimum Percentage of Affordable Units Issued a Temporary or Final Certificate of Occupancy
25+1	10
50	50
75	75
90	100

3. Design. The following design requirements apply to affordable housing developments, excluding prior round units.
  - a. Design of 100 percent affordable developments:
    - i. Restricted units must meet the minimum square footage required for the number of inhabitants for which the unit is marketed and the minimum square footage required for each bedroom, as set forth in the Neighborhood Preservation Balanced Housing rules at N.J.A.C. 5:43-2.4.
    - ii. Each bedroom in each restricted unit must have at least one window.
    - iii. Restricted units must include adequate air conditioning and heating.

    - i. Restricted units must use the same building materials and architectural design elements (for example, plumbing, insulation, or siding) as market-rate units of the same unit type (for example, flat or townhome) within the same development, except that restricted units and market-rate units may use different interior finishes. This shall apply to prior round units.
    - ii. Restricted units and market-rate units within the same affordable development must be sited such that restricted units are not concentrated in less desirable locations.
    - iii. Restricted units may not be physically clustered so as to segregate restricted and market-rate units within the same development or within the same building, but must be interspersed throughout the development, except that age-restricted and supportive housing units may be physically clustered if the clustering facilitates the provision of on-site medical services or on-site social services. Prior round affordable units shall be integrated with market rate units to the extent feasible.
    - iv. Residents of restricted units must be offered the same access to communal amenities as residents of market-rate units within the same affordable development. Examples of communal amenities include, but are not limited to, community pools, fitness and recreation centers, playgrounds, common rooms and outdoor spaces, and building entrances and exits. This shall apply to prior round units.

- v. Restricted units must include adequate air conditioning and heating and must use the same type of cooling and heating sources as market-rate units of the same unit type. This shall apply to prior round units.
  - vi. Each bedroom in each restricted unit must have at least one window.
  - vii. Restricted units must be of the same unit type as market-rate units within the same building.

- c. Design of developments containing for-sale units, including those with a mix of rental and for-sale units. Restricted rental units shall meet the requirements of section b above. Restricted sale units shall comply with the below:
- i. Restricted units must use the same building standards as market-rate units of the same unit type (for example, flat, townhome, or single-family home), except that restricted units and market-rate units may use different interior finishes. This shall apply to prior round units.
  - ii. Restricted units may be clustered, provided that the buildings or housing product types containing the restricted units are integrated throughout the development and are not concentrated in an undesirable location or in undesirable locations. Prior round affordable units shall be integrated with market rate units to the extent feasible.
  - iii. Restricted units may be of different unit housing product types than market-rate units, provided that there is a restricted option available for each market rate housing type. Developments containing market-rate duplexes, townhomes, and/or single-family homes shall offer restricted housing options that also include duplexes, townhomes, and/or single-family homes. Penthouses and higher priced end townhomes may be exempt from this requirement. The proper ratio for restricted to market-rate unit type shall be subject to municipal ordinance or, if not specified, shall be determined at the time of site plan approval.
  - iv. Restricted units must meet the minimum square footage required for the number of inhabitants for which the unit is marketed and the minimum square footage required for each bedroom, as set forth in the Neighborhood Preservation Balanced Housing rules at N.J.A.C. 5:43-2.4.
  - v. Penthouse and end units may be reserved for market-rate sale, provided that the overall number, value, and distribution of affordable units across the development is not negatively impacted by such reservation(s).
  - vi. Residents of restricted units must be offered the same access to communal amenities as residents of market-rate units within the same affordable development. Examples of communal amenities include, but are not limited to, community pools, fitness and recreation centers, playgrounds, common rooms and outdoor spaces, and building entrances and exits. This shall apply to prior round units.

5. Low/moderate split and bedroom distribution.

- a. Affordable units shall be divided equally between low- and moderate-income units, except that where there is an odd number of affordable housing units, the extra unit shall be a low-income unit.
  - b. In each affordable housing development, at least 50% of the restricted units within each bedroom distribution rounded up to the nearest whole number shall be very low- or low-income units.
  - c. Within rental developments, of the total number of affordable rental units, at least 13%, rounded up to the nearest whole number, shall be affordable to very low-income households. The very low-income units shall be distributed between each bedroom count as proportionally as possible, to the nearest whole unit, to the total number of restricted units within each bedroom count, and counted as part of the required number of low-income units within the development.

    - v. At least 20% of all low- and moderate-income units, rounded up shall be three-bedroom units.
    - vi. The remaining units may be allocated among two- and three- bedroom units at the discretion of the developer.
  - e. Affordable housing developments that are age-restricted or supportive housing, except those supportive housing units whose sponsoring program determines the unit arrangements, shall be structured such that, at a minimum, the number of bedrooms shall equal the number of age-restricted or supportive housing low- and moderate-income units within the inclusionary development. Supportive housing units whose sponsoring program determines the unit arrangement shall comply with all requirements of the sponsoring program. The standard may be met by having all one-bedroom units or by having a two-bedroom unit for each efficiency unit. In affordable housing developments with 20 or more restricted units that are age-restricted or supportive housing, two-bedroom units must comprise at least 5% of those restricted units.
6. Accessibility requirements.
- a. Any new construction shall be adaptable; however, elevators shall not be required in any building or within any dwelling unit for the purpose of compliance with this section.   - (b) To this end, the builder of restricted units shall deposit funds within the Affordable Housing Trust Fund sufficient to install accessible entrances in 10% of the affordable units that have been constructed with adaptable entrances.
  - (c) The funds deposited shall be expended for the sole purpose of making the adaptable entrance of an affordable unit accessible when requested to do so by a person with a disability who occupies or intends to occupy the unit and requires an accessible entrance.

The Administrative Agent designated by the municipality shall implement the Affirmative Marketing Process to ensure the Affirmative Marketing of all affordable units, with the exception of affordable programs that are exempt from Affirmative Marketing as noted herein.

K. Occupancy Standards.

1. In referring certified households to specific restricted units, to the extent feasible, and without causing an undue delay in occupying the unit, the Administrative Agent shall strive to:
  - a. Ensure each bedroom is occupied by at least one person, except for age-restricted and supportive and special needs housing units;
  - b. Provide a bedroom for every two adult occupants;
  - c. With regard to occupants under the age of 18, accommodate the household's requested arrangement, except that such arrangement may not result in more than two occupants under the age of 18 occupying any bedroom; and

- b. If the municipality does not exercise the right to extend the affordability controls on the unit, the affordability controls terminate following the exit sale.
  6. Prior to the issuance of any building permit for the construction/rehabilitation of restricted ownership units, the developer/owner and the municipality shall record a preliminary instrument provided by the Administrative Agent.
  7. Prior to the issuance of the initial certificate of occupancy for a restricted ownership unit and upon each successive sale during the period of restricted ownership, the Administrative Agent shall determine the restricted price for the unit and shall also determine the nonrestricted, fair market value of the unit based on either an appraisal or the unit's equalized assessed value without the restrictions in place.
  8. At the time of the initial sale of the unit and upon each successive price-restricted sale, the initial purchaser shall execute and deliver to the Administrative Agent a recapture note obliging the purchaser, as well as the purchaser's heirs, successors, and assigns, to repay, upon the first non-exempt sale after the unit's release from the restrictions set forth in this Chapter, an amount equal to the difference between the unit's non-restricted fair market value and its restricted price, and the recapture note shall be secured by a recapture lien evidenced by a duly recorded mortgage on the unit.

    - a. The initial purchase price and affordability percentage for a restricted ownership unit shall be set by the Administrative Agent.
    - b. The Administrative Agent shall approve all resale prices, in writing and in advance of the resale, to assure compliance with the standards set forth in N.J.A.C 5:80-26.7.
      - i. If the resale occurs prior to the one-year anniversary of the date on which title to the unit was transferred to a certified household, the maximum resale price for a is the most recent non-exempt purchase price.
      - ii. If the resale occurs on or after such anniversary date, the maximum resale price is the most recent non-exempt purchase price increased to reflect the cumulative annual percentage increases to the regional median income, effective as of the same date as the regional median income calculated pursuant to N.J.A.C. 5:80-26.3
    - c. The owners of restricted ownership units may apply to the Administrative Agent to increase the maximum sales price for the unit on the basis of anticipated capital improvements. Eligible capital improvements shall be:
      - i. those that render the unit suitable for a larger household or the addition of a bathroom.
      - ii. The maximum resale price may be further increased by an amount up to the cumulative dollar value of approved capital improvements made after the last non-exempt sale for improvements and/or upgrades to the unit, excluding capital improvements paid for by the entity favored on the recapture note and recapture lien described at N.J.A.C. 5:80-26.6(d);
    - d. No increase for capital improvements is permitted if the maximum resale price prior to adjusting for capital improvements already exceeds whatever initial purchase price the unit would have if it were being offered for purchase for the first time at the initial affordability percentage. All adjustments for capital improvements are subject to 10-year, straight-line depreciation.
  2. Upon the resale of a restricted ownership unit, all items of property that are permanently affixed to the unit or were included when the unit was initially restricted (for example, refrigerator, range, washer, dryer, dishwasher, wall-to-wall carpeting) shall be included in the maximum allowable

resale price. Other items may be sold to the purchaser at a reasonable price that has been approved by the Administrative Agent at the time of the signing of the agreement to purchase but shall be separate and apart from any contract of sale for the underlying real estate. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price of the air conditioning equipment, which shall be subject to 10-year, straight-line depreciation, has been approved by the Administrative Agent. Unless otherwise approved by the Administrative Agent, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The seller and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at the time of or as a condition of resale.

N. Buyer Income Eligibility.

1. Buyer income eligibility for restricted ownership units shall be established pursuant to N.J.A.C. 5:80-26.17, as may be amended and supplemented, such that very low-income ownership units shall be reserved for occupancy by households with a gross household income less than or equal to 30% of median income, low-income ownership units shall be reserved for occupancy by households with a gross household income less than or equal to 50% of median income and moderate-income ownership units shall be reserved for occupancy by households with a gross household income less than 80% of median income.
2. Notwithstanding the foregoing, the Administrative Agent may, upon approval by the municipality, and subject to the Division's approval, permit a moderate-income purchaser to buy a low-income unit if and only if the Administrative Agent can demonstrate that there is an insufficient number of eligible low-income purchasers in the housing region to permit prompt occupancy of the unit and all other reasonable efforts to attract a low-income purchaser, including pricing and financing incentives, have failed. Any such low-income unit that is sold to a moderate-income household shall retain the required pricing and pricing restrictions for a low-income unit. Similarly, the administrative agent may permit low-income purchasers to buy very-low-income units in housing markets where, as determined by the Division, units are reserved for very-low-income purchasers, but there is an insufficient number of very-low-income purchasers to permit prompt occupancy of the units. In such instances, the purchased unit must be maintained as a very-low-income unit and sold at a very-low-income price point such that on the next resale the unit will still be affordable to very-low-income households and able to be purchased by a very-low-income household. A very-low-income unit that is seeking bonus credit pursuant to N.J.S.A. 52:27D-311.k(9) must first be advertised exclusively as a very-low-income unit according to the Affirmative Marketing requirements at N.J.A.C. 5:80-26.16, then advertised as a very-low-income or low-income unit for at least 30 additional days prior to referring any low-income household to the unit.
3. A certified household that purchases a restricted ownership unit must occupy it as the certified household's principal residence and shall not lease the unit; provided, however, that the Administrative Agent may permit the owner of a restricted ownership unit, upon application and a showing of hardship, to lease the restricted unit to another certified household for a period not to exceed one year.
4. The Administrative Agent shall certify a household as eligible for a restricted ownership unit when the household is a low-income household or a moderate-income household, as applicable to the unit, and the estimated monthly housing cost for the particular unit (including principal, interest, property taxes, homeowner and private mortgage insurance and condominium or homeowner association fees, as applicable) does not exceed 35 percent of the household's eligible monthly income; provided, however, that this limit may be exceeded if one or more of the following circumstances exists:
  - a. The household currently pays more than 35% (40% for households eligible for age-restricted units) of its gross household income for housing expenses, and the proposed housing expenses will reduce its housing costs;

- b. The household has consistently paid more than 35% (40% for households eligible for age-restricted units) of eligible monthly income for housing expenses in the past and has proven its ability to pay; or
- c. The household is currently in substandard or overcrowded living conditions;
- d. The household documents the existence of assets, within the asset limitation otherwise applicable, with which the household proposes to supplement the rent payments

O. Limitations on Indebtedness Secured by Ownership Unit; Subordination.

- 1. Prior to incurring any indebtedness to be secured by a restricted ownership unit, the owner shall apply to the Administrative Agent for a determination in writing that the proposed indebtedness complies with the provisions of this Section, and the Administrative Agent shall issue such determination prior to the owner incurring such indebtedness.
- 2. With the exception of original purchase money mortgages, neither an owner nor a lender shall at any time during the control period cause or permit the total indebtedness secured by a restricted ownership unit to exceed 95% of the maximum allowable resale price of that unit, as such price is determined by the Administrative Agent in accordance with N.J.A.C. 5:80-26.7(c).

P. Control Periods for Restricted Rental Units.

Control periods for units that meet the definition of prior round units shall be pursuant to the 2001 UHAC rules originally adopted October 1, 2001, 33 N.J.R. 3432 and shall remain subject to the requirements of this Chapter for a period of at least 30 years as applicable unless otherwise indicated.
- 2. Other than for prior round units, control periods for restricted rental units shall be in accordance with N.J.A.C. 5:80-26.12, as may be amended and supplemented, and each restricted rental unit shall remain subject to the requirements of this Chapter for a period of at least 40 years. Restricted rental units created as part of developments receiving 9% Low-Income Housing Tax Credits must comply with a control period of not less than a 30-year compliance period plus a 15-year extended use period for a total of 45 years.
- 3. The affordability control period for a restricted rental unit shall commence on the first date that a unit is issued a certificate of occupancy following the execution of the deed restriction or, if affordability controls are being extended, on the effective date of the extension, which is the end of the original control period.
- 4. Rehabilitated renter-occupied housing units that are improved to code standards shall be subject to affordability controls for a period of not less than 10 years.
- 5. Prior to the issuance of any building permit for the construction/rehabilitation of restricted rental units, the developer/owner and the municipality shall record a preliminary instrument provided by the Administrative Agent.
- 6. Deeds of all real property that include restricted rental units shall contain deed restriction language. The deed restriction shall have priority over all mortgages on the property. The deed restriction shall be recorded by the developer with the county records office, and provided as filed and recorded, to the Administrative Agent within 30 days of the receipt of a certificate of occupancy.

  - b. Sale or other voluntary transfer of the ownership of the unit;
  - c. The entry and enforcement of any judgment of foreclosure on the property containing the unit; or

1. The initial rent for a restricted rental unit shall be set by the Administrative Agent.
2. A written lease shall be required for all restricted rental units, except for units in an assisted living residence, and tenants shall be responsible for security deposits and the full amount of the rent as stated on the lease. A copy of the current lease for each restricted rental unit shall be retained on file by the Administrative Agent.
3. No additional fees, operating costs, or charges shall be added to the approved rent (except, in the case of units in an assisted living residence, to cover the customary charges for food and services) without the express written approval of the Administrative Agent.
  - a. Operating costs, for the purposes of this section, include certificate of occupancy fees, move-in fees, move-out fees, mandatory internet fees, mandatory cable fees, mandatory utility submetering fees, and for developments with more than one and a half off-street parking spaces per unit, parking fees for one parking space per household.

Application fees (including the charge for any credit check) shall not exceed 5% of the monthly rent of the applicable restricted unit to be applied to the costs of administering the controls applicable to the unit as set forth in this Chapter.
5. Fees for unit-specific, non-communal items that are charged to market-rate unit tenants on an optional basis, such as pet fees for tenants with pets, storage spaces, bicycle-share programs, or one-time rentals of party or media rooms, may also be charged to affordable unit tenants, if applicable.
6. Pet fees may not exceed \$30.00 per month and associated one-time payments for optional fees pertaining to pets, such as a pet cleaning fee, are prohibited.
7. Fees charged to affordable unit tenants for other optional, unit-specific, non-communal items shall not exceed the amounts charged to market-rate tenants.
8. For any prior round rental unit leased before December 20, 2024, elements of the existing fee structure that are consistent with prior rules, but inconsistent with 5:80-26.13(c)1, may continue until the occupant household's current lease term expires or that occupant household vacates the unit, whichever occurs later.

  - c. Moderate-income rental units shall be reserved for households with a gross household income less than 80% of the regional median income by household size.
2. 1. Upon the occurrence of a breach of any of the regulations governing the affordable unit by an owner, developer or tenant, the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, municipal fines, a requirement for household recertification, acceleration of all sums due under a mortgage, recoupment of any funds from a sale in the violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
2. After providing written notice of a violation to an owner, developer or tenant of an affordable unit and advising the owner, developer or tenant of the penalties for such violations, the municipality may take the following action against the owner, developer or tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
  - a. The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation, or violations, of the regulations governing the affordable housing unit. If the owner, developer or tenant is found by the Court to have violated any provision of the regulations governing affordable housing units the owner, developer or tenant shall be subject to one or more of the following penalties, at the discretion of the Court:
    - i. A fine of not more than \$500 or imprisonment for a period not to exceed 90 days, or both, unless otherwise specified below, provided that each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not a continuation of the initial offense;
    - ii. In the case of an owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Affordable Housing Trust Fund of the gross amount of rent illegally collected;
    - iii. In the case of an owner who has rented his or her affordable unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the Court.
3. The municipality shall have the authority to levy fines against the owner of the development for instances of noncompliance with NJHRC advertising requirements (N.J.S.A. 52:27D-321.6.e.(2)), following written notice to the owner. The fine for the first offense of noncompliance shall be \$5,000, the fine for the second offense of noncompliance shall be \$10,000, and the fine for each subsequent offense of noncompliance shall be \$15,000.
4. The municipality may file a court action in the Superior Court seeking a judgment, which would result in the termination of the owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any judgment shall be enforceable as if the same were a judgment of default of the first purchase money mortgage and shall constitute a lien against the low- or moderate-income unit.
  - a. Such judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the affordable unit of the violating owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any first purchase money mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating owner shall have the right to possession terminated as well as the title conveyed pursuant to the Sheriff's sale.
  - b. The proceeds of the Sheriff's sale shall first be applied to satisfy the first purchase money mortgage lien and any prior liens upon the low- or moderate-income unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as aforesaid, the violating owner shall be personally responsible for the full extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus shall be placed in escrow by the municipality for the owner and shall be held in such escrow for a maximum period of two years or until such earlier time as

the owner shall make a claim with the municipality for such. Failure of the owner to claim such balance within the two year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the owner or forfeited to the municipality.

- c. Foreclosure due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as they apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.
  - d. If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the first purchase money mortgage and any prior liens, the municipality may acquire title to the affordable unit by satisfying the first purchase money mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the first purchase money mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the affordable unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess that would have been realized from an actual sale as previously described.
  - e. Failure of the low- or moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the owner to accept an offer to purchase from any qualified purchaser that may be referred to the owner by the municipality, with such offer to purchase being equal to the maximum resale price of the low- or moderate-income unit as permitted by the regulations governing affordable housing units.
  - f. The affordable unit owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the owner.
5. It is the responsibility of the municipal housing liaison and the administrative agent(s) to ensure that affordable housing units are administered properly. All affordable units must be occupied within a reasonable amount of time and be re-leased within a reasonable amount of time upon the vacating of the unit by a tenant. If an administrative agent or municipal housing liaison becomes aware of or suspects that a developer, landlord, or property manager has not complied with these regulations, it shall report this activity to the Division. The Division must notify the developer, landlord, or property manager, in writing, of any violation of these regulations and provide a 30-day cure period. If, after the 30-day cure period, the developer, landlord, or property manager remains in violation of any terms of this subchapter, including by keeping a unit vacant, the developer, landlord, or property manager may be fined up to the amount required to construct a comparable affordable unit of the same size and the deed-restricted control period will be extended for the length of the time the unit was out of compliance, in addition to the remedies provided for in this section. For the purposes of this subsection, a reasonable amount of time shall presumptively be 60 days, unless a longer period of time is required due to demonstrable market conditions and/or failure of the municipal housing liaison or the administrative agent to refer a certified tenant.
  6. Banks and other lending institutions are prohibited from issuing any loan secured by owner occupied real property subject to the affordability controls set forth in this subchapter if such loan would be in excess of amounts permitted by the restriction documents recorded in the deed or mortgage book in the county in which the property is located. Any loan issued in violation of this subsection is void as against public policy.
  7. The Agency and the Department hereby reserve, for themselves and for each administrative agent appointed pursuant to this subchapter, all of the rights and remedies available at law and in equity

for the enforcement of this subchapter, including, but not limited to, fines, evictions, and foreclosures as approved by a county-level housing judge.

## 8. Appeals

- a. Appeals from all decisions of an administrative agent appointed pursuant to this subchapter must be filed, in writing, with the municipal housing liaison. A decision by the municipal housing liaison may be appealed to the Division. A written decision of the Division Director upholding, modifying, or reversing an administrative agent's decision is a final administrative action.

- a. This section establishes standards for the collection, maintenance, and expenditure of development fees that are consistent with the amended Fair Housing Act (P.L.2024, c.2), N.J.A.C. 5:99, and the Statewide Non-Residential Development Fee Act (C. 40:55D-8.1 through 8.7). Fees collected pursuant to this Chapter shall be used for the sole purpose of providing very low-, low- and moderate-income housing in accordance with a Court-approved Spending Plan.

### 2. Basic Requirements

- a. Cape May Point Borough previously adopted a development fee ordinance, which established the Municipal Affordable Housing Trust Fund. Such development fee ordinance was previously approved by COAH/Superior Court.
- b. Cape May Point Borough previously adopted a Third Round spending plan that was approved by COAH/Superior Court. Cape May Point Borough shall not spend development fees until the court has approved a plan for spending such fees pursuant to N.J.A.C. 5:99-2.1(f).

### 3. Residential Development Fees

#### a. Imposed fees

- i. Residential developers, except for developers of the types of development specifically exempted below, shall pay a fee of 1.5% of the equalized assessed value for residential development, provided no increased density is permitted. Development fees shall also be imposed and collected when an additional dwelling unit is added to an existing residential structure; in such cases, the fee shall be calculated based on the increase in the equalized assessed value of the property due to the additional dwelling unit.
- ii. When an increase in residential density is permitted pursuant to a "d" variance granted under N.J.S.A. 40:55D-70d(5), developers shall be required to pay a "bonus" development fee of 6.0% of the equalized assessed value for each additional unit that may be realized, except that this provision shall not be applicable to a development that will include affordable housing. If the zoning on a site has changed during the two-year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two-year period preceding the filing of the variance application.

Example: If an approval allows four units to be constructed on a site that was zoned for two units, the fees could equal 1.5% of the equalized assessed value on the first two units; and the specified higher percentage of 6% of the equalized assessed value for the two additional units, provided zoning on the site has not changed during the two-year period preceding the filing of such a variance application.

#### b. Eligible exactions, ineligible exactions and exemptions for residential development

- i. Affordable housing developments, developments where the developer is providing for the construction of affordable units elsewhere in the municipality, and developments where the developer has made an eligible payment in lieu of on-site construction of affordable units, if permitted by ordinance, or by agreement with the municipality and if approved by a

municipality prior to the statutory elimination of payments in-lieu on March 20, 2024 per P.L.2024, c.2, shall be exempt from development fees.

- ii. Developments that have received preliminary or final site plan approval prior to the adoption of this Chapter and any preceding ordinance permitting the collection of development fees shall be exempt from the payment of development fees, unless the developer seeks a substantial change in the original approval. Where a site plan approval does not apply, the issuance of a zoning and/or building permit shall be synonymous with preliminary or final site plan approval for the purpose of determining the right to an exemption. In all cases, the applicable fee percentage shall be determined based upon the development fee ordinance in effect on the date that the construction permit is issued.
  - iii. Development fees shall be imposed and collected when an existing structure undergoes a change to a more intense use, is demolished and replaced, or is expanded, if the expansion is not otherwise exempt from the development fee requirement. The development fee shall be calculated on the increase in the equalized assessed value of the improved structure.
  - iv. No development fee shall be collected for the demolition and replacement of a residential building resulting from a fire or natural disaster.
4. Non-Residential Development Fees
- a. Imposition of fees
    - i. Within all zoning districts, non-residential developers, except for developers of the types of development specifically exempted, shall pay a fee equal to 2.5% of the equalized assessed value of the land and improvements, for all new non-residential construction on an unimproved lot or lots.
    - ii. Within all zoning districts, non-residential developers, except for developers of the types of development specifically exempted, shall also pay a fee equal to 2.5% of the increase in equalized assessed value resulting from any additions to existing structures to be used for non-residential purposes.
    - iii. Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of 2.5% shall be calculated on the difference between the equalized assessed value of the pre-existing land and improvements and the equalized assessed value of the newly improved structure; i.e., land and improvements; and such calculation shall be made at the time a final certificate of occupancy is issued. If the calculation required under this section results in a negative number, the non-residential development fee shall be zero.
  - b. Eligible exactions, ineligible exactions and exemptions for non-residential development
    - i. The non-residential portion of a mixed-use inclusionary or market-rate development shall be subject to a 2.5% development fee, unless otherwise exempted below.
    - ii. The 2.5% fee shall not apply to an increase in equalized assessed value resulting from alterations, change in use within existing footprint, reconstruction, renovations and repairs.
  - c. Non-residential developments shall be exempt from the payment of non-residential development fees in accordance with the exemptions required pursuant to the Statewide Non-Residential Development Fee Act (N.J.S.A. 40:55D-8.1 through 8.7), as specified in Form N-RDF "State of New Jersey Non-Residential Development Certification/Exemption." Any exemption claimed by a developer shall be substantiated by that developer.
  - d. A developer of a non-residential development exempted from the non-residential development fee pursuant to the Statewide Non-Residential Development Fee Act shall be subject to the fee at such time as the basis for the exemption no longer applies, and shall make the payment of the non-residential development fee, in that event, within three years after that event or after the issuance of the final certificate of occupancy of the non-residential development, whichever is later.

- e. If a property that was exempted from the collection of a non-residential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this section within 45 days of the termination of the property tax exemption. Unpaid non-residential development fees under these circumstances may be enforceable by the municipality as a lien against the real property of the owner.

#### 5. Collection Procedures

- a. Upon the granting of a preliminary, final or other applicable approval for a development, the applicable approving authority shall direct its staff to notify the construction official responsible for the issuance of a building permit.
- b. For non-residential developments only, the developer shall also be provided with a copy of Form N-RDF, "State of New Jersey Non-Residential Development Certification/Exemption," to be completed by the developer as per the instructions provided in the Form N-RDF. The construction official shall verify the information submitted by the non-residential developer as per the instructions provided on Form N-RDF. The tax assessor shall verify exemptions and prepare estimated and final assessments as per the instructions provided in Form N-RDF.
- c. The construction official responsible for the issuance of a building permit shall notify the tax assessor of the issuance of the first construction permit for a development that is subject to a development fee.
- d. Within 90 days of receipt of that notice, the tax assessor shall provide an estimate, based on the plans filed, of the equalized assessed value of the development.
- e. The construction official responsible for the issuance of a final certificate of occupancy shall notify the tax assessor of any and all requests for the scheduling of a final inspection on property that is subject to a development fee.
- f. Within 10 business days of a request for the scheduling of a final inspection, the tax assessor shall confirm or modify the previously estimated equalized assessed value of the improvements associated with the development; calculate the development fee; and thereafter notify the developer of the amount of the fee.
- g. Should the municipality fail to determine or notify the developer of the amount of the development fee within 10 business days of the request for final inspection, the developer may estimate the amount due and pay that estimated amount consistent with the dispute process set forth in Subsection b. of section 37 of P.L.2008, c.46 (N.J.S.A. 40:55D-8.6).
- h. Fifty percent (50%) of the development fee shall be collected at the time of issuance of the construction permit. The remaining portion shall be collected at the time of issuance of the certificate of occupancy. The developer shall be responsible for paying the difference between the fee calculated at the time of issuance of the construction permit and that determined at the time of issuance of certificate of occupancy.

#### 6. Appeal of development fees

- a. A developer may challenge residential development fees imposed by filing a challenge with the County Board of Taxation. Pending a review and determination by that board, collected fees shall be placed in an interest-bearing escrow account by the municipality. Appeals from a determination of the board may be made to the Tax Court in accordance with the provisions of the State Tax Uniform Procedure Law, R.S. 54:48-1 et seq., within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.
- b. A developer may challenge non-residential development fees imposed by filing a challenge with the director of the Division of Taxation. Pending a review and determination by the director, which shall be made within 45 days of receipt of the challenge, collected fees shall be placed in an interest-bearing escrow account by the municipality. Appeals from a determination of the director may be made to the Tax Court in accordance with the provisions of the State Tax

**BOROUGH OF CAPE MAY POINT  
COUNTY OF CAPE MAY  
STATE OF NEW JERSEY**

**ORDINANCE NO. 06-2026**

**AN ORDINANCE AMENDING SECTION 35, POLICE DEPARTMENT, TO ADD  
SECTION 3, PROCEDURES FOR EXTRA DUTY POLICE DETAILS**

**WHEREAS**, from time to time there is a demand from public or private entities for delivery of police services that the police department is not obligated or expected to provide as part of its normal function. Such services will include, but may not be limited to directing traffic at events, activities, road and other construction sites, providing crowd control at private functions or privately sponsored events, providing building, retail, or other security, or providing security and crowd control for school events and activities; and

**WHEREAS**, the City of Cape May provides police services to the Borough of Cape May Point (the "Borough") through an interlocal shared services agreement and requires the Borough to adopt and codify their policies and procedures for the provision of extra duty police services.

**NOW, THEREFORE, BE IT ORDAINED** by the Board of Commissioners of the Borough of Cape May Point as follows:

**SECTION 1.** Chapter 35 is hereby amended to include the following new section:

**§ 35-3 Extra Duty Ordinance**

Terms and conditions for performance of extra-duty details. All patrol officers, sergeants and Lieutenants ("Cape May police officers") employed by the City of Cape May Police Department may be permitted to perform extra-duty details for police-related matters for private or public entities subject to all of the following terms and conditions:

- A. The compensation from the private persons or entities to the Cape May police officers shall be fixed at \$100.00 per hour. For non-profit entities, the rate shall be \$50.00 per hour.
- B. The Borough, in consultation with the City of Cape May, shall make arrangements, with the person or entity for whom such services are to be provided, for the collection of amounts on a periodic basis, which may be weekly, biweekly or monthly. All extra details will be covered by contract between the City of Cape May and the requesting party, and contracts will be executed by the Chief of Police and the City Manager or their designees, as well as by the Mayor and/or Administrator of the Borough.
- C. The Cape May Police Department shall submit time reports on a weekly, biweekly or monthly basis, as determined by agreement between the private

person or entity and the City of Cape May. The private person or entity shall then validate the time reports and submit copies to the Treasurer for payment.

- D. In the event the City anticipates substantial extra-duty detail, the City may require an escrow account be established with the City for the estimated cost of the services based upon the hourly rate set forth in Subsection A above. If such account falls below a level which is determined by the Treasurer to be reasonably necessary to ensure continued payment, no additional services will be provided.
- E. The City shall exercise direction and control over the Cape May police officers performing work for the private person or entity. The Cape May police officer assigned to such outside work will remain within the chain of command of the Cape May Police Department. The Chief of Police or their designee shall define the duties to be performed by Cape May police officers in consultation with the private person or entity and the City Manager.
- F. The outside work shall not interfere with the regular duties and scheduling of the Cape May police officers, including any necessary overtime for police matters.
- G. In order to be eligible for off-duty employment, a police employee must be in good standing with the Department.
- H. Written agreement required. The City, the Borough, and the private person or entity requesting the services hereunder shall enter into a written agreement, consistent with the provisions of this article, in form and content satisfactory to the City Solicitor, prior to the provision of any services hereunder.
- I. The City, the Borough, and each of the Cape May police officers reserve the right, in their sole and absolute discretion, to reject any and all assignments for outside work by any private persons or entities contemplated by this article.
- J. The City and/or the Borough further reserve the right, in their sole and absolute discretion, to modify or discontinue this policy at any time, and it shall be deemed an absolute and unilateral right of the City of Cape May and/or the Borough of Cape May Point and not an established past practice for collective bargaining purposes.

**SECTION 2.** The Board of Commissioners approves the form of agreement established by the City of Cape May and referenced in Section 81-12(H) of the Cape May City Code to be utilized by the Cape May Police Department for the provision of extra duty details that occur in the Borough of Cape May Point.

**SECTION 3.** All other ordinances in conflict or inconsistent with this Ordinance are hereby repealed, to the extent of such conflict or inconsistency.

**SECTION 4.** Should any section, paragraph, sentence, clause or phase of this Ordinance be declared unconstitutional or invalid for any reason, the remaining portions of this Ordinance shall not be affected thereby and shall remain in full force and effect, and to this end the provisions of this Ordinance are hereby declared to be severable.

**SECTION 5.** This Ordinance shall become effective 20 days after final passage and publication, according to law.

**SECTION 6.** Each section, subsection, sentence, clause, and phrase of this Ordinance is declared to be an independent section, subsection, sentence, clause, and phrase, and finding or holding of any such portion of this Ordinance to be unconstitutional, void, or ineffective for any cause or reason shall not affect any other portion of this Ordinance.

**SECTION 7.** This Ordinance shall be in full force and effect from and after its adoption and any publication as may be required by law.
