RESOLUTION 72-26

**OPPOSING H.R. 2289 (AMERICAN BROADBAND DEPLOYMENT ACT OF 2025)
DUE TO THE PREEMPTION OF LOCAL AUTHORITY, THREATS TO PUBLIC
SAFETY, AND REDUCTION OF ENVIRONMENTAL/HISTORIC REVIEWS**

WHEREAS, the Borough of Cape May Point strongly supports the expansion of broadband access to all residents and acknowledges the importance of infrastructure deployment, particularly in underserved areas; and

WHEREAS, H.R. 2289 (119th Congress) has been introduced, which would fundamentally alter local authority over the siting and permitting of wireless, wireline, and cable infrastructure; and

WHEREAS, the proposed legislation would impose strict, unrealistic "shot clocks" for approvals resulting in "deemed granted" applications, even for incomplete applications, if local governments cannot meet these timelines, effectively removing the ability of local officials to perform thorough safety reviews; and

WHEREAS, H.R. 2289 removes the requirement for environmental, tribal, and historic preservation reviews for significant categories of projects, preventing local input on projects affecting community character and ecosystems; and

WHEREAS, the legislation would undermine public safety, force local taxpayers to subsidize private corporations, force local governments to allow private antenna placement on public, community-owned structures and disrupt the very broadband deployment progress it aims to accelerate; and

WHEREAS, local governments are closest to the people and are best equipped to make decisions on local land use, permitting, and franchise agreements, while protecting roads and residents from harm caused by poorly planned or executed construction; and

WHEREAS, H.R. 2289 is a federal overreach that violates the principals of local control and creates a framework that prioritizes communication companies' value at the expense of the safety and financial interests of the communities and taxpayers they serve.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Commissioners of the Borough of Cape May Point, County of New Jersey, State of New Jersey hereby voices

its strong opposition to H.R. 2289 and urges Congress to protect the rights of local governments to manage their own rights-of-way and infrastructure.

BE IT FURTHER RESOLVED, that a copy of this resolution be transmitted to our representatives in the U.S. House of Representatives and the U.S. Senate.
