

Volunteer Opportunity at Triangle Park

The Environmental Commission has arranged for a member of the NJ Audubon Stewardship Team to lead a two hour clean-up/planting event at Triangle Park. We are hoping that you will volunteer to help on **Tuesday, May 26 from 9-11 am.**

The wooded area of Triangle Park is in need of some weeding and invasive vine removal. Fall blooming, nectar-rich aster plants will be added along the pathway after the area is cleared of weeds.

The Audubon expert will identify what needs to be removed, so you do not have to be a plant expert to volunteer! Simply arrive by 9 am, bring garden gloves and pruners (if you have them), and lend a helping hand. Questions may be directed to:

ec@capemaypoint.org

We hope to see you on May 26.
