Mayor Moffatt Signs Mayors' Monarch Pledge for 2024

The Environmental Commission is pleased to announce that Mayor Robert Moffatt has re-committed Cape May Point to supporting the National Wildlife Federation Mayors' Monarch Pledge for the 4th year.

Through this pledge, we once again promise to "create habitat for the monarch butterfly and pollinators, and to educate residents on how they can make a difference at home and in their community." This ongoing support of the monarch butterfly is particularly important given the precipitous decline in the eastern monarch population, as well as our Borough's important location on the monarch's migration pathway.

In the coming months, you'll be hearing more from the Environmental Commission about new ways that you may participate in the Mayors' Monarch Pledge again this year.

Mayor Robert J. Moffatt, VMD
